Dedication

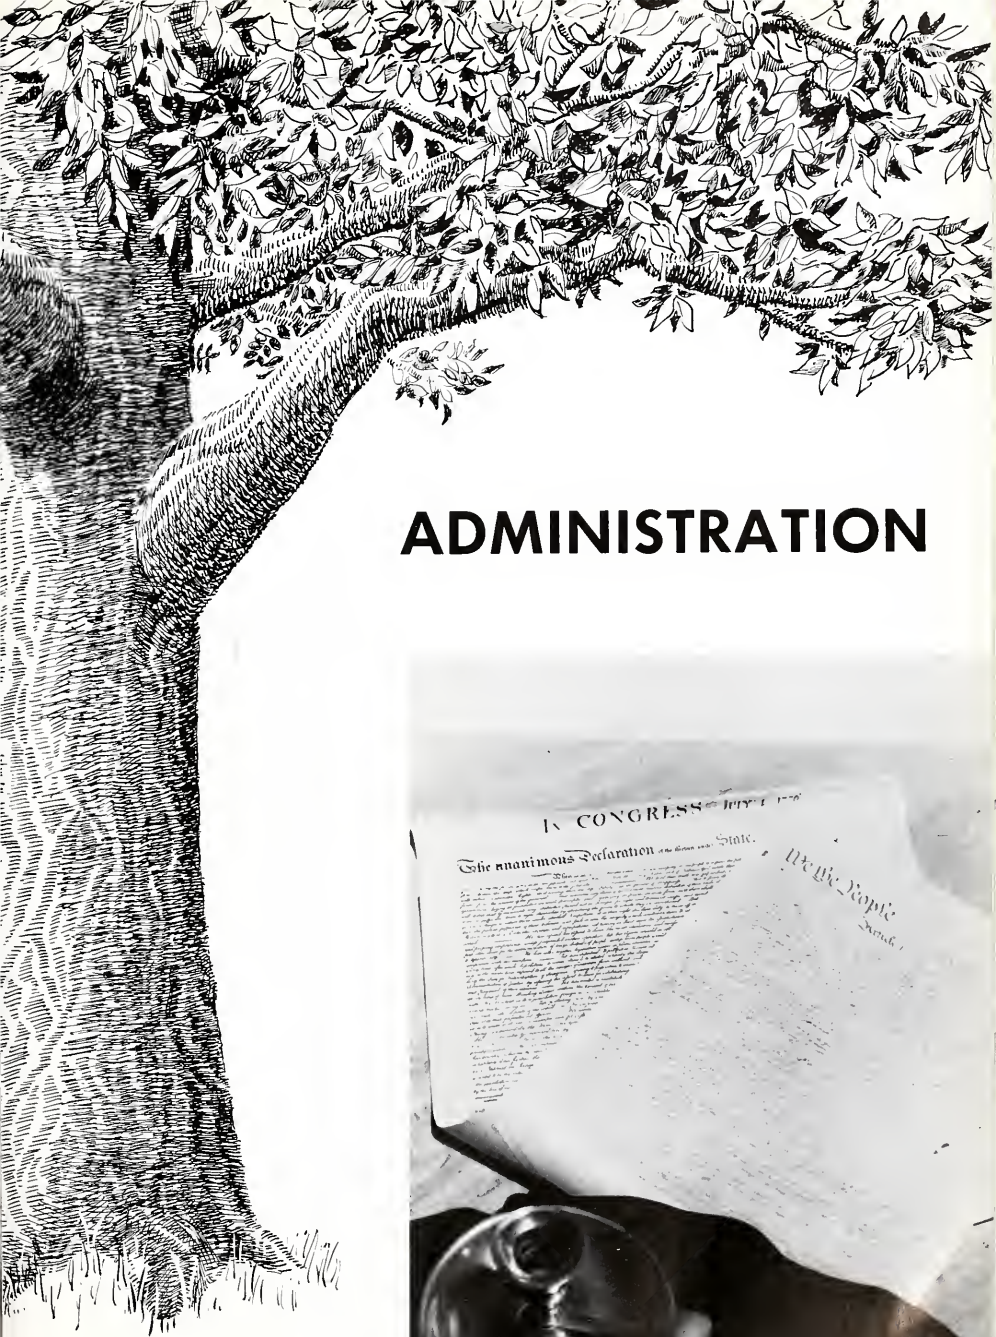

The rapid rise in the quality of the music program in Sand Creek High School is a sure indication of the abilities and dedication of our band director, Mr. Richard Farley.

Since his arrival at our school eight years ago, the Sand Creek Band has become known as one of the best bands in this area. In addition to Mr. Farley's work with the senior band, he has added a junior high band and a music theory class to the curriculum while also expanding the elementary school music program. Under his influence our music students have greatly improved their playing ability and have developed more mature musical tastes.

In conversation with Mr. Farley one becomes aware that besides his great interest in music he is interested in many other areas. On many a morning he can be seen buzzing to school in his red MG, for he has a great love of sports cars. He is also an avid football fan, a book-lover, and a devoted family man.

To this man of many talents we, the senior class, dedicate this 1967 Harvester.

ADMINISTRATION

IN CONGRESS July 4, 1776
The unanimous Declaration of the thirteen united States.
We the People

Superintendent

DONALD HARLAN

B.A. Adrian College

M.A. University of Michigan

Every school has a man who sees to it that the students, parents, and teachers do their best to get and give the best education. Such a man here at Sand Creek is Mr. Don Harlan.

After teaching in this school system for many years, Mr. Harlan now manages the business end of the system. He is able to manage the school financially and yet has time to take an interest in every student, parent, and teacher.

Responsibility, dedication, and education are just a few of the innumerable qualities of our fine superintendent.

Principal

ROBERT ROTH

B.A. Bowling Green State

University

M.A. Indiana State University

The principal of a high school should be the leader of the faculty and students. He must be firm, yet fair to all. At Sand Creek this outstanding man is Mr. Robert Roth.

Past principal of an Ohio school and graduate of an Ohio university, Mr. Roth has proven beyond a doubt that both in Ohio and Michigan he is the type of high school leader we need.

It is our good fortune to have such an outstanding man as Mr. Roth with us.

Wilbur Presents The Annual "World Award"

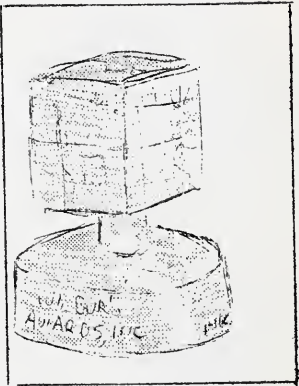

I am pleased to announce the presentation of my World Award to deserving people in our school.

In the first category is Mr. Practicality of the year. The winner of this category is Mr. Vernon West, who has shown the best signs of practicality and boasts about it.

The awards for bravery go to the clarinetists in the Senior Band, who are always being hit by a constant shower of batons from Mr. Farley, and to Kathy Detwiler for being Mr. V. West's secretary.

To Mr. Sleeker goes the award for being Mr. Confidence of the Year. He's so confident of his Chemistry students that he doesn't even have a fire extinguisher in the room. However, he was almost disqualified for ordering a fire hydrant for each table.

To Mrs. Morlock goes an award for not having a nervous breakdown in all the years she has taught typing to classes like sixth hour Typing I.

In Memoriam

Mr. Robert Jackson
Gary L. Boss

So live that when thy summons
comes to join
The innumerable caravan which moves
To that mysterious realm where each
shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at
night,
Scourged to his dungeon, but, sustained
and soothed
By an unfaltering trust, approach thy
grave
Like one who wraps the drapery of his
couch
About him and lies down to pleasant
dreams.

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

To a real good friend
whom I have ever since
her kindergarten days. Remember
all the crazy times we've had -
especially during the past year...
(on record thought...) oh well -

Try to adjust - God Bless you
and good luck!
